9.1 Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.

Not listed as a requirement for a qualified PHA.

10.0 Additional Information. Describe the following, as well as any additional information HUD has requested.

(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.

See Section 5.2.

(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"

Sandusky Metropolitan Housing Authority will consider the following actions to be "significant amendments or modification" with an exception allowed for actions due to changes in HUD regulatory requirements: Changes to rent or admission policies or organization of the waiting list(s); Additions of non-emergency work items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund; and, Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities. "Substantial deviations" to Sandusky Metropolitan Housing Authority's 5-Year Plan shall consist of the elimination of a goal or objective without being completed or a significant change to a goal or objective, represented by more than a two year change to the completion date or more than a 35% reduction of an objective activity amount.

(c) VAWA Statement:

The Sandusky Metropolitan Housing Authority (SMHA) has adopted policies for both the Public Housing and the Housing Choice Voucher Programs to implement applicable provisions of the Violence Against Women and Department of Justice Reauthorization Act of 2005 (Pub. L. 109-162) (VAWA). The policies were adopted in April 2007.

SMHA's goals, objectives and policies to enable SMHA to serve the needs of child and adult victims of domestic violence, dating violence and stalking, as defined in VAWA, are stated in the SMHA VAWA Policies for the Public Housing Program (Admissions and Continued Occupancy Policy) and the Housing Choice Voucher Program (Administrative Plan). Copies of those policies were attached to the Five Year/Annual Plan submitted to HUD in April 2007.

In addition, SMHA shall operate programs to serve the needs of child and adult victims of domestic violence, dating violence and stalking as and to the extent such programs are described from time to time in SMHA's Annual Public Housing Agency Plan.

No applicant for public housing who has been a victim of domestic violence, dating violence, or stalking shall be denied admission into the program if they are otherwise qualified.

An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence, and shall not be good cause for terminating the assistance, tenancy, or occupancy rights of the victim of such violence.

The Sandusky Metropolitan Housing Authority (SMHA) may terminate the assistance to remove a lawful occupant or tenant who engages in criminal acts or threatened acts of violence or stalking to family members or others without terminating the assistance or evicting victimized lawful occupants.

The SMHA may honor court orders regarding the rights of access or control of the property, including EPO's, DVO's, and other orders issued to protect the victim and used to address the distribution or possession or property among household members where the family "breaks up." There is no limitation on the ability of the SMHA to terminate assistance for other good cause unrelated to the incident or incidents of domestic violence, dating violence or stalking, other than the victim may not be subject to a "more demanding standard" than non-victims. There is no prohibition on the SMHA terminating if it "can demonstrate an actual and imminent threat to other tenants or those employed

at or providing service to the property if that tenant's (victim's) tenancy is not terminated."

Any protections provided by law which give greater protection to the victim are not superceded by these provisions.

The SMHA will require certification by the victim of victim status on such forms as the SMHA and/or HUD shall prescribe or approve.

Definition of Terms

The same definitions of "domestic violence," "dating violence," and "stalking," and of "immediate family member" are provided in Sections 606 and 607. While definitions of domestic and dating violence refer to standard definitions in the Violence Against Women Act, the definition of stalking provided in Title VI is specific to the housing provisions.

These are

Domestic Violence – [as defined in Section 40002 of VAWA 1994] which states as follows:

SEC 40002(a)(6) — "DOMESTIC VIOLENCE - The term 'domestic violence' includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabiting with or has cohabited with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction."

 ${\it Dating \ Violence-[as \ defined \ in \ Section \ 40002 \ of \ VAWA \ 1994] \ which \ states \ as \ follows:}$

SEC 40002(a)(8)—"DATING VIOLENCE- The term 'dating violence' means violence committed by a person—who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors: The length of the relationship; the type of relationship; The frequency of interaction between the persons involved in the relationship."

Stalking—"means—(i) to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate another person; and (ii) to place under surveillance with the intent to kill, injure, harass or intimidate another person; and in the course of, or as a result of, such following, pursuit, surveillance or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to—that person; a member of the immediate family of that person; or the spouse or intimate partner of that person;" Immediate Family Member—"means, with respect to a person—a spouse, parent, brother, sister, or child of that person, or an individual to whom that person stands in loco parentis; or any other person living in the household of that person and related to that person by blood or marriage."
